During your visit to Souris, you may encounter some of our colourful feathered friends.

## Peacocks & Peahens

wander freely around our community during the warmer months and stay cozy in a barn during the winter. In many cultures, peacocks symbolize

**STRENGTH,  
CONFIDENCE &  
PROTECTION.**

They have earned the distinction of

**HONORARY  
AMBASSADORS**

of our community.

*Please admire the peacocks from a distance and avoid feeding or chasing them.*

# What's Happening

## **Souris is busy year round with events to keep you entertained!**

The Souris-Glenwood Chamber of Commerce puts on several of these events with the hard work of the business community and their volunteers. Spring Fling is your first chance to either clear out the winter clutter, or come out and find some deals with the Town Wide Yard sales. To go along with that there are always activities such as kids entertainment, BBQs and a Grad Class Carwash. The summer parade is organized by them as well in conjunction with the Peacock Days & Fair. In the fall, members are busy organizing Scarecrow Days, which of course has a themed scarecrow

competition! Yard sales are also happening along with other events such as kids entertainment, donut eating contest, karaoke, car shows and more. Christmas season brings more Chamber events such as the Red Card campaign, Christmas Parade, Santa's Workshop for kids, Christmas movies and more.

Every spring break the Souris Curling Club takes over the Souris-Glenwood Memorial Complex to host the Survivor Bonspiel!

The Souris District Arts Council brings many talented performers to the stage throughout the year. Car shows, Souris School Drama Club plays and Legion meat draws are also regular events.

There's always lots to do in *Souris* year round!

Visit [sourismanitoba.ca](http://sourismanitoba.ca) to stay in the loop.

# Canada's Longest Swinging Suspension Bridge

## Celebrating

120 years since its original construction, the Swinging Bridge remains our town's most **FAMOUS** landmark.

It is truly a beautiful **SIGHT** to behold any time of year!

Visiting the bridge?

Please post your photos to social media with hashtag **#SOURISMB.**

## BY THE Numbers

**1904**

Year the original bridge was built by Squire Sowden to access his property on the east side of the river.

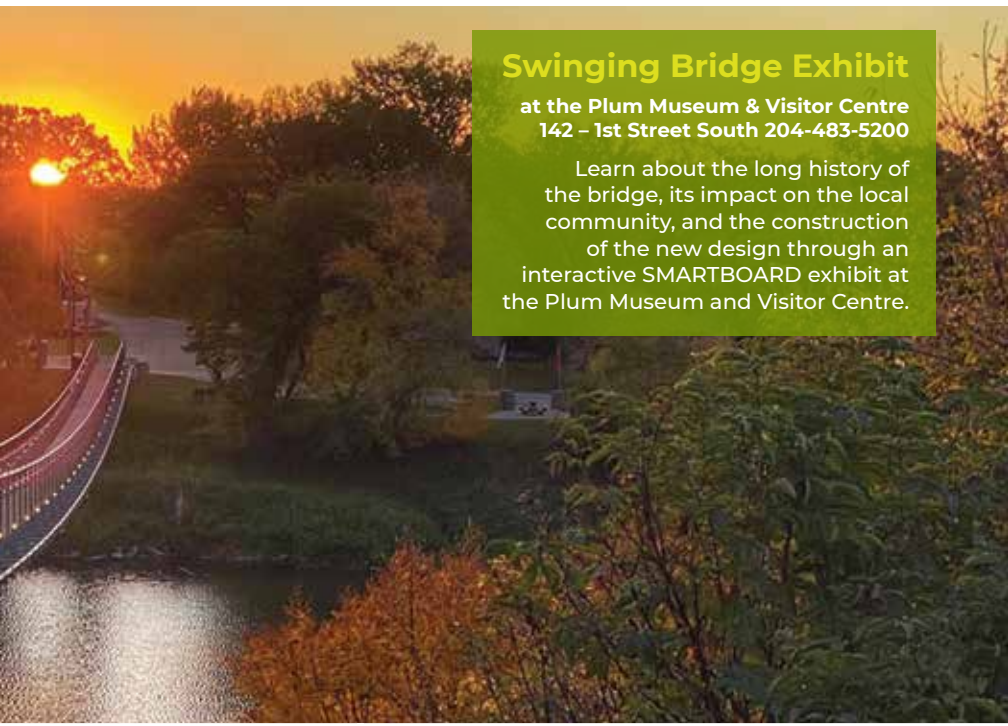

**582**

Length of the original bridge that was cut in the 2011 flood to save the river bank structure and dyke.

**1976**

The original bridge was destroyed by flood waters on April 7th. By July 1977 a new bridge was built at a cost of \$18,000.

## Swinging Bridge Exhibit

at the Plum Museum & Visitor Centre  
142 – 1st Street South 204-483-5200

Learn about the long history of the bridge, its impact on the local community, and the construction of the new design through an interactive SMARTBOARD exhibit at the Plum Museum and Visitor Centre.

## 2005

The bridge was featured on a Canadian postage stamp.

## 2011

During the flood of the century the bridge was destroyed once again due to flooding. This time it was rebuilt in two years and opened August 2013 at a cost of \$3.9M.

## 604

Length of the new bridge, making it Canada's longest pedestrian suspension bridge.

# Discover Our History

## Hillcrest Museum

**Designated as one of Canada's most important heritage properties.**

Step back in time by visiting the Hillcrest Museum. Located adjacent to the famous Souris Swinging Bridge, this heritage building sits prominently on the banks overlooking the Souris River. Its castle-like design, reminiscent of English architecture, makes it a unique structure and a popular place to visit.

26 Crescent Avenue East  
204-483-2008

## The Plum Museum and Visitor Centre

The Plum Museum was first erected in 1883 and is Souris' oldest remaining public building. Originally St. Luke Anglican Church, it was decommissioned in 1989 and later moved to its current location. Here you'll find tourism information, souvenirs, and more than likely, a muster of peacocks while touring the museum collections.

In the off-season, the building can be rented for private functions.

Admission is free; donations are welcome. Open July and August.

**142 1st Street South**  
**204-483-5200**

## The Railway Museum

Experience first hand a diesel engine simulator that was once used to train CPR Engineers. See inside an actual CPR Rail Car. View the Souris Railway Museum's website at [sourisrailwaymuseum.ca](http://sourisrailwaymuseum.ca)

## Victoria Park Campground

**No matter what style of camping you enjoy, Victoria Park Campground has a spot for you!**

Beautiful tenting sites right on Plum Creek, with a short walk to modern washrooms and showers, are perfect for those looking for the simple life. The treed sites spread throughout the campground and sites along the Souris River are all partially to fully serviced for the seasoned camper.

While you feel like you are out of town down in the campground, it is just a

short walk to the central business district of Souris where you can grab a treat, catch a movie or visit our museums.

Have a large group? Our fully serviced group camping sites at the fairgrounds are perfect for that.

## Avalon Theatre

Built in 1928, the Avalon Theatre is located in one of the oldest buildings in Souris. Back then, they ran a thirty-minute series on Monday nights for five cents. Now movies are played on a digital state-of-the-art system purchased in 2012 with funds raised by the community. Enjoy your Avalon Combo while watching the latest films in the comfortable plush seating installed a few years ago. The Avalon is also host to a run of the Souris School Drama Club play over multiple

days each spring. Throughout the year the Souris District Arts Council brings musical entertainment in the form of bands, singers and storytellers to the stage. Birthday parties, political forums, psychics and even weddings have all been a part of the Avalon's history. Call 204-483-5200 to book the Avalon for your event.

- **Showtimes:**

Friday 7:30 p.m., Saturday 7:30 p.m., and Sunday 2:00 p.m. Check the Avalon Facebook page to find out what movie is playing during your visit.

- **Admission:**

## Souris School

Ensuring our children's success in life starts with a good education. Our school offers programs from K-12, with an average enrolment of 460 students. With smaller class sizes than many urban centres, our school is better equipped to offer individualized attention to ensure student success.

Exploring options for students with varied career interests, we facilitate apprenticeship entry for qualifying high school students in any recognized

trade. Extra-curricular opportunities for students include arts, drama, and chorus, as well as a slate of athletics programs.

## Souris Cooperative Daycare

Souris Cooperative Daycare provides childcare services for pre-school aged children from the community and the surrounding area. The Daycare encourages active involvement with programs by parents and the community.

For over 20 years, a partnership between the Souris School and the Daycare has delivered a before and after school program to fill the gaps in childcare between the start and end of the school day and work day.

The Daycare is run by a Board of Directors who are elected annually. In consultation with the Board, the Daycare centre director oversees the day-to-day operations of the centre

including enrollment, programming, staffing, and parental and managerial operations.
