

DR. TOM HUGHES DRUGSTORE AND JEWELRY STORE

Dr. Hughes was born and raised in Middlesex, Ontario and a graduate of Western University in London, Ontario. He came to Manitoba in the fall of 1892 and settled in Souris. He was quite the entrepreneur owning a cattle ranch and farm in Alberta. As well he established the two businesses in Souris, his Drugstore and next door a Jewelry Store. The building housing them was known as The Hughes Block. The Drugstore eventually became the Law Offices for S. H. Forrest and has remained a Law Office to this day. The Jewelry Store area was a Grocery Store for a while, but then returned to being a Jewelry Store for many years. Jim and Della Butler bought this side of the building and renovated it. It became and remains the very popular "Guest Room", a lovely 2 Suite Bed & Breakfast. Brenda McKinny is the present owner and operator.
