

## **McDONALD'S CAFE & ICE CREAM PARLOUR**

**This building on the north side of the Crescent was originally built in the 1890's. In 1910 it became The Radio Cafe. Then in 1936 Mr. James Christie bought the restaurant and renamed it "The Chocolate Shop". It has remained an iconic part of Souris ever since. Other owners of The Chocolate Shop were: Rocky Addison; Leo Matheos and in 2001 George Panagiotou. Unfortunately, the business closed a few years ago, but the name and its great reputation lives on.**
