

SOURIS GARAGE

The Souris Garage was located north of Sanders Butcher Shop. Numerous businesses replaced this Garage. In more recent memory, next to The Modern IGA was A. W. Patrick's Bowling Alley and Restaurant. Mr. Patrick's business had originally started out as a Fuel, Coal Shed and Taxi. Then a Cockshutt Dealership and building supplies. From 1942-1969 it became a busy social place as Patrick's Bowling Alley and Restaurant. Many a Saturday night was spent there! Next door the Women's Institute sponsored a Ladies Restroom. Over the years a number of small businesses have occupied this area. Today we have Westoba Credit Union and Public Washrooms located in this here.
